Here is a correction from Jessie:

Good Morning Donna,

Thank you for the crosscheck. I miss typed the Census. Greenwich Hospital's Inpatient Census for today is 150.  
Sorry for the confusion.

Jessie,

Can you confirm that the inpatient, not including the ED patients, is 250 since the licensed capacity is only 206. So the census is over capacity? Thank you

Good Morning,

As the Governor's Executive Order allowing for a temporary increase in licensed capacity expires today, 2/15/2022, please be advised that Greenwich Hospital has returned to operating within our licensed bed capacity of 206.

Greenwich Hospital's inpatient census today is 250.

Please let me know if any additional information is needed.

Thank you,

Jessie

**Subject:** FW: Temporary Licensed Bed Increase - Greenwich Hospital

Good Afternoon,

Greenwich Hospital submitted a request to the Office of Health Strategy today for 19 additional temporary licensed beds to manage the COVID surge (see attached). This increase of 19 beds is reflective of the 19 beds approved as alternative care spaces by the DPH on 1/6/2022.

Please let me know if you need any additional information.

**Subject:** Temporary Licensed Bed Increase - Greenwich Hospital

Good afternoon Dan and Brian –

The attached CON COVID-19 Waiver Request Form was posted to the CON portal today. Greenwich Hospital has experienced increased census and has requested to add 19 additional temporary licensed beds to manage this COVID surge, while maintaining all other services. No temporary suspension of services is sought.

Please let me know if you have any questions.

Regards,  
Jeryl
